

Aramco at a glance

A reliable global energy supplier

Who we are

We are Aramco, one of the world's largest integrated energy and chemicals companies.

Our vision

Is to be the world's preeminent integrated energy and chemicals company, operating in a safe, sustainable and reliable manner.

Our mission

Aramco strives to provide reliable, affordable, and more sustainable energy to communities around the world, and to deliver value to its shareholders through business cycles by maintaining its preeminence in oil and gas production and its leading position in chemicals, aiming to capture value across the energy value chain while profitably growing its portfolio.
