## Ashraf A. Al Ghazzawi

Service Line Head (A),  
Strategy & Corporate Development

**Ashraf is the acting service line head of Strategy & Corporate Development.**

His organization is responsible for energy markets analysis, strategy planning and development, new business development, and the development of national champions.

Prior to his current role, Ashraf was the Vice President of Strategy & Market Analysis, where he led corporate strategy development, sustainability, investments planning, global energy markets analysis, and Enterprise Risk Management.

Ashraf was also Saudi Aramco Group Treasurer as well as the General Manager of Planning, Budgeting and Performance Management, a finance organization responsible for developing and overseeing Saudi Aramco business plans, and group financial performance. Ashraf also held leadership positions at various organizations covering engineering, research and technology, as well as capital planning.

Ashraf is the Chairman of the Boards of Saudi Aramco Entrepreneurship Ventures Company Limited, and is also a board director in Aramco Ventures, Sadara Chemicals Company, and Johns Hopkins Aramco Healthcare (JHAH).

Ashraf has been with Saudi Aramco for over 27 years. He has a PhD in Engineering from the University of Manchester, and is a graduate of the Harvard Business School Program for Leadership Development.
