

JHAH recommendation to collect pharmacy orders

JHAH sent an email encouraging employees and dependents to use a JHAH pharmacy located nearest to them to pick up medications. The pharmacies located in the districts, Al-Midra Tower, and the Dhahran Core Area Tower Building are meant to make your medication pickup convenient and easy. In addition, JHAH has added the Mouwasat Hospital Qatif as a temporary pharmacy pickup location for your medication, in addition to the 23 existing medication pickup locations.
