

Keep our workplace safe

Follow these basic safety guidelines to help fight against the spread of COVID19-.

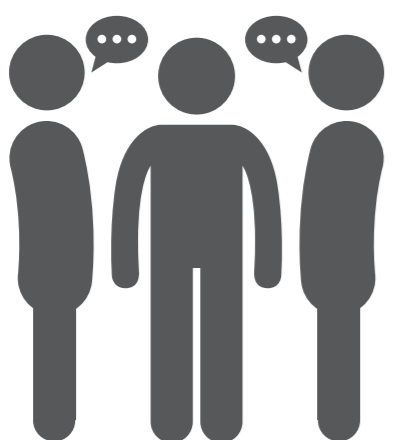

Maintain 2 meters,
physical distance at all times

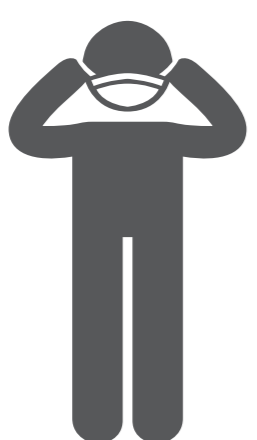

Wash your hands frequently,
particularly after touching shared surfaces.

Avoid sharing items,
with others (phones, keyboards, etc.).

Avoid gathering,
with others, at work or socially.

Wear a face mask in public,
especially when near others or in congested areas.

Use our technology,
to get work done remotely.

Always comply,
with posted safety instructions (coffee stations,
security gates, elevators, etc.).

**Join the fight against COVID19-
and do your part in adhering to these
safety guidelines.**
