

## Video Visits with Primary Care Physicians now available for patients through MyChart

JHAH announced it has accelerated the launch of Video Visits. The service operates on the MyChart secure patient portal to offer face-to-face appointments with a JHAH Primary Care physician. In addition, JHAH announced temporary changes in the opening hours of Walk-in Care Clinics. The clinics will close at 6:30 p.m., effective March 25. Those who require emergency care are advised to go to the Emergency Department.

Visit the [Video Visit webpage](#) to learn about MyChart Video Visit, or to schedule a Video Visit
